Prosperity Power

Financial Prosperity & Physical Abundance

Are often thought of as the SAME thing.

Not so.

You can feel incredibly abundant without necessarily being rich or wealthy.

All of us define Abundance in our own personal way.

Financial Prosperity

Most would say, you receive Financial Prosperity by:

- Increasing Your Income
- Increasing Your Cash Flow
- Increasing the so-called Bottom Line

Financial Prosperity

This Definition is Very Limiting!

Most People do not experience financial abundance.

They misunderstand the true ORIGIN of Money.

Money

Money is Energy, a Frequency.

Money is used as an Energy Exchange.

MONEY = 27/9 = 3x9
4 6 55 7

All Three Triads are represented.

27 = 9+9+9 = THREE 9's

Money

Isn't interesting that...

Today is April 27th.

April, 2011 is an **8** Universal Month.

Today - **4.27.2011** - is a **17/8**
Universal Date

Money

One BIG Misunderstanding about Money is that
Money is something you “earn”.

It is not.

Or money is something of value that is *separate*
from you – you only receive it by DOING.

Money is not separate from you.

Money

Additionally, the DOING you have to DO to EARN money is equated with WORK – hard work.

WORK = 22/4 – 4 is the number of Work!

Let's say a friend asked you for a favor to drive her to an appointment 25 miles away and offered you \$30 for gas?

For most people, money is something they receive for doing something that is hard, even bad –

Work!

Money

The Relationship between EFFORT and INCOME

Clearly it's Not how hard we try to EARN money.

The harder you TRY...
... the more you REPEL money

Money

Money will always resist your effort to turn it
into a Quid Pro Quo

**Creating Wealth has not much to do
with what we do.**

**It is only to do with...
Who You ARE**

Money

“To Be or Not To Be”
That is the Question.

What Produces “In-Come”?

“Come-In” to my Soul
Is the Energy Exchange - the Outflow

Money

How are you **Feeling**,
How are you **Being**,
While you are Doing?

Are you Happy?
Or is your life a struggle?
What energy are you giving your customers,
employees, or employers?

Money

**We reward only BEINGNESS,
not what people do.**

We reward Kindness, Caring, Passion, Joy

Beingness is the Beginning
Of ALL Prosperity.

If you are doing something because you LOVE it, you are
showering everything with Joy, and
people will pay you for WHO YOU ARE.

Money

The money you earn has Nothing to do with the hours you work.

It has everything to do with the amount of Joy you feel.

Money

What would you be for free, because you love it so much?

“I can’t, because I won’t make a living at it.”

That is a FALSE thought about Money

Money is energy.

Love is energy.

Money is an Energy Exchange.

Money

**All you have to do is to
Bring your energy into Harmony
with Money!**

**You can't harmonize with Money,
if you think it is Evil.**

Money

**ALL ENERGY ATTRACTS
LIKE ENERGY**

**The test is ALWAYS:
How do you FEEL?**

If you feel lighter, light-hearted = Good
If you feel heavy, don't keep moving in that
direction.

Money

If your business does not allow you to express your greatest joy, then, don't start it, don't invest in it.

If you are starting a business to make money, you are never going to achieve peace and happiness.

If you are starting a business to make Joy, you are well on your way to CREATING Joy and attracting money as well.

Money

Joy is the Ultimate Money Magnet.

Joy is the Secret Formula.

People who are joyful in what they are doing are BEING Happy.

They naturally magnetize money to them.

Money

Be willing, in your work life, to do your work for
ONE reason only:

**To create and build a life which has
nothing to do with earning money,
But EVERYTHING to do with being
who you really are.**

Money

*“When I chased after money, I never had
enough.*

*“When I got my life on purpose and focused
on giving of myself and everything that arrived
into my life, then I was prosperous.”*

- Wayne Dyer

Money

“I’m worth whatever I feel.”

- Donald Trump

Money

So you need to be willing in your work life to be
doing your work for ONE reason only:

**To create and build a life which has
nothing to do with earning money,
But EVERYTHING to do with
BEING who you really are**

Money

A Being who Feels...

Gratitude

Love

Health

Truth

Creativity

Passion

Desire

Wealth

Money

What brings you the greatest satisfaction?

If you could do ANYTHING you'd like to do,
What would it BE?

If you would do it for Free, that is your Joy!

**What is it you are doing when time
flies?**

Money

When you love your “work”, chances are you’re going to do it very, very well.

That’s why you love it, because you do it so very well! It feels like “playtime”.

Then “work” becomes play – it enlivens your heart and brings you joy.

Don’t do anything just to make money.

Money

Let others know why it brings you so much joy.
This is the best form of advertising.

Everyone loves to support others in experiencing their Joy.

That’s why we love success!

Why do you think shows like *American Idol*, *The Apprentice*, *Dancing with the Stars*, and *Secret Millionaire* are so popular?

Money

Let this be your motto:

What I am for you, I am for me.

What I fail to be for you, I fail to be for me.

Because there is only ONE of us!

Money

“Nothing satisfies the soul more deeply, more profoundly or more quickly than the active providing another human being something that they desire, seek, or wish to experience, whether it is healing or enjoyment, or happiness, or more convenience.

People who are in business for the single and sole purpose of serving others inevitably succeed. And you can tell them a mile away!”

– Neale Donald Walsch

2011 - Relationship

When we moved from the 1900's to the 2000's a big shift in consciousness began.

No longer is it about seeing how you can be a success. It is only about seeing one thing.

How you can EMPOWER OTHERS to have what they seek and want in life.

Your life is not about you – it has nothing to do with you. **Your life is about everyone else whose life you touch.**

2011 - Relationship

Our relationships are there to unify us, not cause division.

11 – Duality will split us in 2
Once we split - like the atom - we feel explosive.

Always make amends, make peace with your “perceived” enemies – for they are a reflection of you.

There is no more room for hate.

2011 - Relationship

What you look at, disappears.

What you resist, persists.

What you fear is what you attract. Fear distorts the Truth. Fear is your greatest enemy.

What you CHOOSE, you EXPERIENCE.

2011 - Relationship

When you put faith in something else, you lose faith in yourself. Once you lose faith in yourself you have given away your power to another person or entity.

That person will make you feel he/she has most of the answers, and you don't. Finally, that will cajole you into accepting it's answers – without question.

If you question, you start to think and feel! You go back to your SOURCE – your INTUITION!

2011 - Relationship

“On this day of your life, I believe God wants you to know ...
...that they who are all things to their neighbors cease to be
anything to themselves.

Norman Douglas said that, and he was right. So do not worry about "what the neighbors think." Worry only about whether you are being true to yourself.

Think, act, and speak today from the place of your highest truth. About all things. Including your relationship, your life work, your thoughts and your choices.

It is time that you came out of hiding on some things, don't you agree?"

- Neale Donald Walsch

2011 - Relationship

Religion and other groups can't have you feel and intuit, because you will come up with answers that differ from the script – or “scripture” that must be followed.

Any control system must make you DOUBT your intuition, your natural God-given ability to think clearly.

These scripts/scriptures are rooted in FEAR.

2011 - Relationship

Making choices is the process of creation.

2011 - Relationship

Choices

When your choices are in conflict with each other – when body-mind-spirit – are not acting as ONE – the process of Creation will still continue to work at all levels. However, results are mixed.

When you are feeling in harmony, and your choices are in unity *on all 3 levels*, your life is reflected as a series of miracles.

2011 - Relationship

Within the 3 levels of your soul, there are another 3 levels of your mind:

Logic
Intuition
Emotion

Your mind makes choices from at least one of these levels, and sometimes from all three.

2011 - Relationship

Within one of these levels – Emotion – there are 5 more natural emotions. These were discovered by *Elisabeth Kübler Ross*.

1. Grief
2. Anger
3. Envy
4. Fear
5. Love

Love and Fear form the Duality. Everything, ultimately breaks down to one of these. All your decisions, ideas and actions are based on one of these. *This duality is particularly felt in 2011.*

2011 - Relationship

In the end, there is really just ONE Emotion.

Love.

“*Love is the only reality*” is the final gateway in the Ancient Egyptian Star Wisdom – number 42.

Even *fear* arises as a result of Love. When fear is used *positively*, it expresses Love!

2011 - Relationship

Grief, anger and envy are all a form of fear, which is a form of Love.

The conflict arises when you *distort* any of these five natural emotions. Then, they become evil.

2011 - Relationship

The 5 natural emotions as explained by Dr.
Elisabeth Kübler Ross

Grief

When you are allowed to express grief, you release it.

When you repress grief over and over again, it becomes *depression* – an unnatural emotion.

2011 - Relationship

The 5 natural emotions as explained by Dr.
Elisabeth Kübler Ross

Envy

Envy makes you want to try harder and continue striving until you succeed.

When you repress envy over and over again, it becomes *jealousy* – an unnatural emotion.

2011 - Relationship

The 5 natural emotions as explained by Dr.
Elisabeth Kübler Ross

Anger

Anger is what you feel when you want to say “This is not right for me. No, thank you.” It does not have to be violent or damage another.

When you repress anger over and over again, it becomes *rage* – an unnatural emotion.

2011 - Relationship

The 5 natural emotions as explained by Dr.
Elisabeth Kübler Ross

Fear

All fears, except falling and loud noises, are *learned* responses. Fear is positive when used as *caution*.

When you repress fear over and over again, it becomes *panic* – an unnatural emotion.

2011 - Relationship

The 5 natural emotions as explained by Dr.
Elisabeth Kübler Ross

Love

Love expressed and received without limits,
embarrassment and condition is the greatest gift.

When you repress love by placing conditions,
limitations, rules, restrictions, manipulation, control
on it – when love is repressed – it becomes
possessiveness – an unnatural emotion.

2011 - Relationship

Know that you are separate from nothing and no
one, and you will heal your world.

This is the greatest secret.

Prosperity Power is about Power **With**
Everything, Everyone.

Not Power Over. Or Power Under.

But power **With** your frequencies, **With** your gifts.
Power **With** all other people and beings.

2011 - Relationship

Peace, Perfection, Private, Prayer, Positive, Pyramid, Pain, Panic, Palace, Paramount, Promise, Prominent.

Prosperity

2011 - Relationship

P symbolizes the Pituitary Gland.

The pituitary gland gives us Intuition – an Inner Knowing. Powerful Psychic Energy

P is a circle on a line, the head on a body, so it is intellectual, has mental curiosity and knows how to concentrate. It is important for people with P's to balance their life with meditation and Philosophy.

All words that start with P denote Power. People who Plot and Plan use their mental Power.

2011 - Relationship

11 - Division or Unity

Most people feel divided about money. They carry around a thought that money is bad, even evil. They love money. But say it is the “root of all evil.” They adore it, desire it – yet it is filthy. They say a person is “filthy rich.”

If someone becomes wealthy doing good things, people are suspicious. They somehow make it wrong.

At the same time, they think that God is good.

2011 - Relationship

Therefore in most people’s mind, God and Money don’t mix.

What are you creating?

In your mind, receiving large amounts of money for what you love to do would be taking “bad” for the “good.” That is unacceptable in your mind.

You would rather be poor than take “filthy money” for pure service, *as if your service loses its purity if you take money for it!*

2011 - Relationship

Everything you feel is intrinsically valuable, you feel must come cheaply.

2011 - Relationship

The Universe doesn't understand what to do with your division. *You are sending thoughts that are diametrically opposed.*

You are divided within yourself.

So your life, as regards Money, goes in fits and starts, because YOU vacillate in fits and starts about money. Your focus is clouded, not clear.

2011 - Relationship

Your Awareness is con-fused – Against Fusion.

The Universe simply mirrors your thoughts back to you.

So, you must change your thoughts about money.

2011 - Relationship

Your thoughts are mostly re-actions.

They come from the experience of others.

Very few thoughts you have are your *own*, much less your own desires and preferences.

Your Root Thought about Money is a great example of your inner division.

2011 - Relationship

Your root thought is that money is bad (it corrupts and cannot be received for doing good or spiritual work), but your experience of having money is *good* – so, you end up lying to yourself about your experience, to justify your root thought.

Change the root thought. Make it Joyful.

2011 - Relationship

How to change a root thought

Act before you think!

Act in harmony with the new idea you have.

Act with SPEED! Or your Mind will eliminate your new idea.

When opportunity knocks, Act Immediately, *before you change your mind.*

2011 - Relationship

Exercise

Declare who you are publicly. Public declaration is the highest form of envisioning.

Declare the most beautiful and greatest vision you can imagine of Who You Are.

“I am

Open your heart and share your heart's desire.

2011 - Relationship

Begin Living your declaration of Who You Are.

Saying it is the First step.

Who You Are is the greatest part of you. Don't deny it.

Live your heartfelt truth and you will fill the whole world with your magnificence!

Law of Opposites

Life is not a set of separate systems, operating independently of each other.

Life is made up of ONE single system, acting unified, but reflecting many different manifestations.

Eliminate the idea that you are separate from anything, and you will change your world.

Law of Opposites

In 2011 the Law of Opposites is more important than ever. It states:

“In the absence of that which you are not, that which you are, is not.”

In the absence of cold, hot is not.

“Hot” can be experienced as a *thought*, but not as physical reality – unless “Cold” exists also.

This is because everything in our world of duality exists in RELATIONSHIP to each other – it’s OPPOSITE.

Law of Opposites

*If you take away its Opposite, that which exists is only a concept, not an **experience**.*

In the absence of Up, Down is not.

In the absence of Left, Right is not.

In the absence of Dark, Light is not.

In the absence of Liabilities, Assets are not.

In the absence of Short, Tall is not.

In the absence of Control, Freedom is not.

In the absence of Failure, Success is not.

Law of Opposites

We live in a world of duality. Where 2-ness prevails.

A world where conflict, confusion, control and disagreement, disputes, and distrust are seen as problems. Yet, they are truly GIFTS so that we may recognize and embrace unity, trust, at-one-ness and Love in ourselves and others.

The Art of Living is to remain individuated – “individual” “in-divisive” - yet inseparable from the Whole.

Law of Opposites

In **2011** we combine, for the very first time, the number **11** frequency of the “Law of Opposites” with the frequency of *relationships* – number **2** – in order to manifest into *physical reality*, symbolized by the number **4**.

$$2011 = 20/2 + 11/2 = 2+2 = 4$$

Law of Opposites

In **2011** we are confronted more than ever with the following Truth:

As soon as you use the “Law of Attraction”, you automatically activate the “Law of Opposites.”

The moment you visualize and seek to attract something good, you will also attract **THAT WHICH IS NOT.**

Law of Opposites

If you are not careful, as soon as you start attracting that which you wish do not wish for (*to create a context to that what you WANT*), you will become discouraged.

This is where most people stop and give up.

They think - when the Opposite appears - *it is a sign from the universe that they are not supposed to have what they wanted!*

Law of Opposites

In **2011** we can overcome this tendency – this fear of the unknown! It is our lesson to walk through the gateway of Truth and confront our fears head-on.

When you feel the Law of Opposites operating in your life, don't despair.

Embrace the experience.

Law of Opposites

Most of the world's religions have the following principle:

“Judge Not By Appearances.”

“To judge is to judge yourself”

is the 11th Divine Law in the Ancient Egyptian Star Wisdom.

Judging anything or anyone causes separation and division from Yourself.

Law of Opposites

Discernment is the Ancient Egyptian Principle for November, the 11th month of the year.

Discernment (the other side of Peace) allows you to see things as they really are and not fall prey to Satan.

S.A.T.A.N is an acronym:

“**S**eeing **A**ny **T**hing **A**s **N**egative”

Law of Opposites

All the great creators, all the exciting people in history, have had ONE thing in common. They have had something POSITIVE to say about Failure!

Anyone who has created success in his or her life understands this about failure:

It is not failure at all.

Law of Opposites

- Did you know Walt Disney went bankrupt over seven times before Disneyland was built?
- Did you know Donald Trump went bankrupt, and then four years later earned his billions again?
- Henry Ford didn't even graduate high school.
- Bob Proctor didn't graduate high school.
- Albert Einstein couldn't read until the age of seven.
- Colonel Sanders lived in his car for two years before KFC succeeded, and he was in his 60's!

Law of Opposites

When something negative happens to you, don't focus on it – look for the *opportunities* instead.

If you do that with every situation in your life, who knows where you will be in one year's time – one month's time – one day's time!

Law of Opposites

"Not many people are willing to give failure a second opportunity. They fail once and it is all over. The bitter pill of failure is often more than most people can handle. If you are willing to accept failure and learn from it, if you are willing to consider failure as *a blessing in disguise* and bounce back, you have got the essential of harnessing one of the most powerful success forces.

"Each problem has hidden in it an opportunity so powerful that it literally dwarfs the problem. The greatest success-stories were created by **people who recognized a problem and turned it into an opportunity.**"

– Joseph Sugarman

Law Of Opposites

Life is not a set of separate systems, operating independently of each other. Life is made up of a *single* system, acting unified, but reflecting many different manifestations.

Eliminate the idea that you are separate from anything, and you will change your world.

Gratitude

Gratitude is the miracle cure for every negative moment in your life.

When life gets difficult, when things start turning sour, when the Law of Attraction starts attracting the *Law of Opposites* in a strong way, and you don't want to play anymore - That is when you step out of negativity with the greatest tool ever:

BE grateful for everything that happens to you!
Absolutely everything.

Gratitude instantly energizes everyone with
LOVE.

Gratitude

“Thank you for the treasure held within this gift.”

When gratitude melts away division and judgment, peace and calm permeates your body.

Gr-atitude = Great Attitude.

Gratitude

“Thank you for everything that is showing up in my life right now, for I know it is only there to help me grow. Thank you, for I know all is for the highest benefit to myself and for all concerned -

Or it would not be happening.”

When you believe that, the fun begins!

The Multiplier Effect

The *Law of Opposites* activated by the *Law of Attraction* is there to help you touch other people's lives.

The reason for these Laws is to empower you to empower others.

You bring through you all those things you want for yourself in the lives of others.

The Multiplier Effect

If what you wish for yourself, you wish for and work to manifest in the lives of others FIRST, then everything you hope to experience in your own life happens to you with hardly any effort at all.

“Do unto others, as you would do unto you.”

This law explains exactly how Manifestation works.

Why does it work this way?

The Multiplier Effect

If you use the Law of Attraction and the Law of Opposites – which go hand in hand – only for yourself, you *limit* their effect on your life.

Instead, create what you want to experience in your own life for 2-3 other people, or 5-7 other people, or 50 or 100 other people. Now you have invoked the **Multiplier Effect**.

The Multiplier Effect

If you try to make only *yourself* prosperous, you will achieve the outcome in a certain period of time.

If you choose to help others be more prosperous, happy, at peace, healthy and confident, you create an **exponential increase** in the energy of Attraction.

You have *multiplied* your wish for yourself by the *amount of people* you help.

The Multiplier Effect

"If your actions create a legacy that inspires others to dream more, learn more, do more and become more, then you are an excellent leader."

– Dolly Parton, Singer

The Multiplier Effect

The Multiplier Effect is no secret in business. Every successful business person knows it.

*It is true in **every** other area of your life as well.*

The Multiplier Effect brings through the Pure Energy of Creation – the energy that runs the universe. Bringing it through and multiplying it - increasing it 2-fold, 7-fold, 20-fold, 100-fold.

What flows through you sticks to you!

The Multiplier Effect

What you give to another, you give to yourself.
The reason for this is:

We are all ONE.

*“Be the source of that which you wish to experience
in your own life.*

“Be the source of it in the life of another.”

- Neale Donald Walsch
